Godoy Construction

You won't find many more enthusiastic supporters of the NCHL than Godoy Construction. A licensed contractor working in and around the Bay Area for more than 20 years, Abelino Oseguera has had several girls play roller hockey through the league's long history.

"My children got involved in hockey through friends and family who play and are involved with the sport," he said. "My oldest daughter, Lizzie, started out on a Bantam team and she motivated the kids to participate. She got them ready to give their best effort."

He added that his wife, Stephanie, also enjoys the NCHL and that longtime NCHL Board member Brian McNamara is a good friend, who continued to interest him in this sport. "I love the excitement of the game. The girls also love the excitement of playing. I'm happy to serve this community and sponsor this league. Everyone has been kind and generous, and I just wanted to give back my thanks."

Godoy Construction does projects in Half Moon Bay and all along the Coast. This year Godoy Construction sponsors the PeeWee 4 team coached by Mike Durso, with help from Lou Palladino.

Returning sponsor Godoy Construction was all smiles in this 2010 photo of, from left, **Gloria, Stephanie, Abelino, and Jessica Oseguera.**

Luca Padua was foiled on this breakaway attempt by guest goalie **Michael George**, but he later scored twice for Maguire Tree Care to up his PeeWee goal-scoring total to 7.

P4 Godoy Construction got jump on P2 Maguire Tree Care and cruised to 8-5 win* (*though Maguire Tree Care won by forfeit)

Trevor Keller had a goal and 2 assists and guest star **Charlie Miller** chipped in 3 goals and 2 helpers while guest **Billy Ginna** added a hat trick as Godoy Construction won a game it forfeited against Maguire Tree Care for having too many celebrants off during the Fourth of July weekend.

The scoring began just :08 into the game as Miller sniped a low wrister under the goalie's blocker to give Godoy Construction the early lead. After 8 scoreless minutes, Ginna set up Miller for one score, then less than a minute later Ginna took passes from Keller and Miller and sent home a low forehand for a 3-0 lead at the end of one.

Luca Padua took a **Carson King** pass and put on a deke, then slid home a low wrister to get Maguire Tree Care on the scoreboard. Just :10 later Miller scored an unassisted goal low wrist side, made a side-to-side deke and put one past the goalie to make it 4-1, and Ginna scored his second on a long shot from the faceoff dot.

Keller lit the red light as he skated past the defense and broke toward the net from the right faceoff circle and sent a long, hard shot past the goalie.

Luke Outman cut the lead to 7-2 as goalie **Keagan Maguire** deflected the puck to **Karsten Lansing**, who headmanned the puck to Outman, who scored low wristshot to the stick side, and the rare goalie assist. Maguire Tree Care continued to fight back, as Padua scored his second when he pounced on a loose puck and knocked it behind the goalie's pads.

After a save on his initial shot from an impossible angle, Keller grabbed the puck and moved behind the net, then fired a pass in front to a waiting **Gloria Oseguera**, who made it 8-3 as she turned, corralled the puck and blasted it home.

With the goalie pulled, Lansing skated in on a breakaway and went backhand to forehand and then high glove side to cut it to 8-4. With time ticking down, Lansing again pounced on a loose puck and went coast-to-coast, finishing it off by cutting to the middle and doing his patented backhand-to-forehand move, and bulged the back of the old onion sack to close out the scoring at 8-5. Guest goalie **Michael George** was busy in the net, stopping 27 shots with defensive help from **Jessica Oseguera** and **Patrick Ginna**, while counterpart **Jonhenry Poss** made 6 first-half saves and saw defenders **Anthony Sassi** and **Michael Vanremoortere** turn back smooth-skating Godoy Construction forward **Nate Feix**.

PeeWee Division

P1 Dr. Stasun skated past P3 Christine Maren Salon 7-4

Three goals by **Zane Hovermale** and a pair each from **Nolan Gallant** and **Sam Louderback** led Dr. Stasun to its fifth win of the season.

Louderback one-timed a pass from Gallant to give Dr. Stasun the lead just 1:27 into the contest. Just :37 seconds later, **Johnny Brozovich** tied off a pass from **Ryan Niermann**.

Midway through the first period Hovermale shot a Gallant pass off the goalie's glove and in, for the 2-1 lead. Just a minute later, with Louderback in the Sin Bin for tripping, Hovermale broke away for a shorthanded 5-hole goal to make it 3-1.

But the Christine Maren Salon powerplay re-read the play-book and Brozovich skated up the left side and drew the defense to him, then passed to an open Niermann, who put one over his glove to cut it to 3-2. Back at even strength, Hovermale got his hat trick as he scored from a sharp angle below the left faceoff circle, to make it 4-2 at the end of the first 10 minutes.

Both defenses then clamped down, with defenseman **Sean Baron** helping stalwart netminder **Michael George** stop 8 shots in the first half. With 1:07 into the second period, **Logan Bautista** cut it to 4-3 as he scored an unassisted goal low glove side.

Despite your first impressions, this photo is **not** of P3 Christine Maren Salon skaters sitting down on the job; it's of our dasherboard ad panels (with some PeeWee action in front). Goalie **Billy Ginna** had his paddle in perfect position for the puck's eventual emergence from the scrum.

In the third period, Gallant was the only player to get on the board as he took a Louderback pass and fired home a low wrist shot for the 5-3 lead. Gallant scored next on a wrist shot high to the glove side :40 into the final frame, but Brozovich found an open **Billy Ginna**, who deked the goalie and curled the puck past the goalie's glove. After Ginna took a tripping call, Louderback converted a Gallant pass for another insurance powerplay goal. **Patrick Ginna** made 18 saves with help from battling blueliner **Kyle Niermann**, who kept fast-skating forwards **Joel Glasman**, **TJ Nilsen** and **Justin Niessner**, while **Indigo Kinzey** made 9 second-half saves for Dr. Stasun.

Photographer Jeff Warren caught our dasherboard ad panels during a photogenic moment during this Squirt battle.

Goalie **Alex Sholl** was formidable for the entire affair and on fire as he flopped for his fourteenth save on this falling forehand.

S2 Dr. Maahs defeated S1 Dr. Moody 7-2

William Outman had 2 goals and an assist as Dr. Maahs outlasted an outmanned Dr. Moody team 7-2.

Dr. Maahs jumped out front on 2 quick scores within the first :29, as Bautista opened the scoring on a rebound off the goalie, off an Outman assist, followed by an Outman deke around the goalie. He then scored again on a long, low glove-side shot midway through the first frame, and **Jacob Poss** made it 4-0 on a high stick-side wrist.

Ryan Hildebrand found the back of the net as he took a Poss pass and skated through the defense to make it 5-0 before Dr. Moody rallied.

Outman then moved to the other side to help the shorthanded team, and scored on a low forehand to the stick side to get Dr. Moody on the board. He then rippled the mesh again on a low forehand off the goalie's stick. Midway through the third period **Aidan Bautista** had a scoring chance but it was **Sequoyah Klingele** who fired home a hard backhand, and Poss closed out the scoring with a low stick side forehand.

Robby Mitton and **Annie Ginna** moved the puck well in the offensive zone, while **Moss Michelsen** played tough defense in front of **Weston Warren**, who made 9 saves and staved off scoring chances from **Vance Islander** and **Brennan Higaki**. **Rowan Lane** played hard in front of **Alex Sholl**, who made 14 acrobatic saves.

Hockey That's Fresh, Not Frozen

Four games were played under oppressive heat at the Boys and Girls Club Rink on Week 5, the midway point of the season.

Dental Division (Squirts)

S2 Dr. Maahs held off S1 Dr. Alborzi 6-4

Two late goals by **William Outman** and a hat trick from **Ryan Hildebrand** enabled Dr. Maahs to overcome 4 goals by Dr. Alborzi's **Sydney Gallant**.

A low glove-side slapshot by Hildebrand 3:05 into the contest was the game's first score. Gallant tied it when she stickhandled uprink and slapped home the puck (showcasing her Squirt SuperSkills Competition-winning 26 mph slapshot), and then gave her team the lead when she again went through the defense and slapped home another.

Hildebrand tied it with a nice high forehand from the right faceoff circle. He had a chance to take the lead for Dr. Maahs, but his penalty shot attempt off an **Evan Alexander** trip, was denied by goalie **Treythan Krieger** who stopped the scoring attempt with a dramatic diving stick save.

Sequoyah Klingele scored on a low forehand off a scrum in front of the net for the 3-2 lead for Dr. Maahs.

With 1:59 left in the middle frame, Hildebrand would get his hat trick as his rolling shot eluded the goalie, to make it 4-2 on an assist by **Jacob Poss**.

Annie Ginna, Eleanor Carpenter and **Robby Mitton** played shutdown defense in the second stanza, keeping Dr. Alborzi from the tie. **Weston Warren** moved to backstop where he played his usual stellar netminding, with help from **Aidan Bautista**, who skated well in the neutral zone.

Just :45 into the final frame, Gallant scored her hat trick through the 5-hole to cut it to 4-3.

An Outman slapshot off a Hildebrand centering feed restored the 2-goal lead, and he scored again off a pass from **Moss Michelsen** as he put one high stick side for the 6-3 lead with 3:25 left in the late game. Gallant again just :05 later as she took the face off and went low glove side to close out the scoring.

Alexander Stevens and **Tristyn Krieger** held Dr. Maahs in check the rest of the way, but **Eric Martin** was unable to get the equalizer, and Dr. Alborzi was unable to claim its third victory of the season.

Alexander Stevens (#29, gray) thought he saw daylight under the upright goalie but the Dr. Maahs defense closed in on him, and closed out a 6-4 win for the team's fifth victory of the year.
